

## ABOUT SOD IDAA

At the Institute of Design, Art & Architecture (IDAA), we believe architecture is more than just a discipline, it's a creative journey. Our comprehensive program nurtures innovation and critical thinking, transforming artistic visions into impactful architectural marvels. Join us to become a part of this dynamic, collaborative endeavor and shape the world through your designs. Let's build a sustainable future together!

A dedicated program in design and architecture.

- ▶▶ Equipping students with the skills and knowledge to create meaningful spaces, structures, and experiences.
- ▶▶ A curriculum that combines rigorous academic study with practical training, allowing students to develop a deep understanding of design principles, materials, technologies, and sustainable practices.
- ▶▶ Work integrated programs where in select students have an opportunity to earn through internships while they learn
- ▶▶ Incubation centre to bring alive startup dreams of students where they get to seek expert advice, Venture capital/Angel investments while distilling their ideas into products and services
